Thank you so much for this video; this is one of the most important speeches to hear, and it follows the NWO agenda to a tee. These psychopaths who need to own it all including us, and I post this a lot but it's important, too: ALL do the same thing no matter which way they climb the pyramid. They promote war, mass migration, miscegenation, globalism, feminism, homo and confused sexuality, diversity, divorce, depravity (pornography) to divide, destabilize and degrade society. "We corrupt in order to control," Giuseppe Mazzini, a 33rd degree freemason wrote. Thus they undercut the four legs of human identity: race, religion (God), nation and family. The Jesuit Oath of Induction covers this corruption of society in order to control, as do the Protocols of Zion and the Freemasons. Add that all of these factions belong to Knights of Malta pretty much declares who's our daddy.

Thank you, Carol. Your testimony of your life, really hits home. My wife is on a lot of the meds (in a prior video), you spoke on. Tried telling her, years ago, that these drugs are no damn good. The "Hippocratical Oath", doctors take, should read ; "do know harm". This video reminds me of TPLEZ/The Protocols of the Learned Elders of Zion.

Much love, dear lady blessings, and peace🙏

Well, wasn't that just a delightful two hours? It never ceases to amaze me how much evidence there is available for this monumental conspiracy, and yet so few people care to look at it. I'm a single, thirty seven year old man, and I can see looking back over my own life how many of these schemes have directly affected me, and it saddens me that I just can't get friends and family to care about themselves or their loved ones enough to pay attention. Thank you for devoting yourself to raising awareness, I'm sure it can't be easy to cope with the burden of knowing what is going on and where this is all leading. I got chills when I heard about the old system going down on a winter Friday, and the new system starting on the following Monday:

Matthew Chapter 24

17But woe to them that are with child, and to them that give suck in those days! 18And pray ye that your flight be not in the winter.

19For in those days shall be affliction, such as was not from the beginning of the creation which God created unto this time, neither shall be.

The problem is that we can't start over from scratch. If early humans knew what we know today, we would have done things differently. But we didn't. The name of the game was survival. It still is. But the emphasis may not be on survival of the species but rather the survival of the individual. We have failed to understand that like a bee that cannot survive outside of a colony, we humans need each other to act in cooperative ways to ensure our survival. From my perspective, we have failed miserably. We have acted on behalf of

Regarding changing words in the Bible (KJV) so that the new meaning is different, one of the most egregious changes I have seen is from Matthew 7:1-3, which new versions read and most people quote, "Judge not, lest ye be judged". The true words mean the exact opposite (duality), "Judge not, that ye be not judged. For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you." So judge away, but do it righteously because that's how you'll be judged. They removed the entire

Good stuff for the watchman out there! Through studying and rightly dividing the Bible (2 Tim [2:15](#)), using a KJV Bible and bringing it back to the original languages in which our English written Bibles were translated from, the old testament (Hebrew and Aramaic), the new testament (Greek), using a " Strong's Concordance of the Bible" , we can better understand our Heavenly Fathers Word and learn and know the things God would have us to know. In doing this, not only will you be able to see and know where scripture has been changed and even how pastor's and preachers have used newer versions of the Bible even the KJV to twist scripture to fit their religious agenda, and no doubt many pastor's do so out of ignorance (they have been taught a lie).

But in receiving the truth (Jesus, the living Word) you will receive and be at peace (a peace of mind) because you will know what will befall us tomorrow and what events will take place here on earth before the coming of our Lord and Savior Jesus Christ.

In short, we are in the fifth trumpet. 5 is Grace in Biblical numerical , It is a time of teaching the truth of our Heavenly Fathers Word.

Satan has children, the Kenites or the sons of Cain, (they say they are Jews, but are not and do lie, and are of the synagogue of satan) (Rev Ch 2:9 & 3:9) , they are the ones bringing about this one world political system.

The one world political system is the first beast in Rev Ch 13. When satan and his angels are kicked out of heaven, is when the one world political system will actually come into being.

The NWO will receive a deadly wound (Rev Ch 13) , or fall apart.

Then satan, being supernatural and very deceptive, will heal the deadly wound. Now it will be a one world religious system. Satan will heal the deadly wound and come claiming to be Jesus (God). This is the 2nd beast in Rev Ch 13 and will happen at 666, the 6th seal, the 6th trump and the 6th vial. So we see here, These same (Kenites) are also ushering in their father satan.

This generation will not pass away until all prophecy is fulfilled. (Mat Ch 24, Mark Ch 13 and Luke Ch 21).

These end times are all about deception.

Jesus wants us to know of these things and to warn All others. He, our very Creator, is expecting a virgin bride when He returns at the last trump, the 7th trump.

What has been covered in this 2 HR video, has been written about, thousands of years ago.

Great video by the way! And thank you!

We don't have to be deceived by satan, or go through these times alone. Jesus has foretold us all things in His Word, and wants to bring us through it. And he will, if we will let him . Whom the Son sets free, is free indeed!

Much of this IMHO relates to what is written in the below passages. Really a bunch of self righteous hypocrites thinking they are worthy of making judgments for God.

Jeremiah 50:6-7 King James Version (KJV)

6 My people hath been lost sheep: their shepherds have caused them to go astray, they have turned them away on the mountains: they have gone from mountain to hill, they have forgotten their restingplace.

7 All that found them have devoured them: and their adversaries said, We offend not, because they have sinned against the Lord, the

IMHO it doesn't take a genius to figure out that the church in america is mostly asleep, i was till a little after 9/11.

To the Church in Sardis

1 To the angel of the church in Sardis write: These are the words of the One who has the sevenfold Spirit of God and the seven stars. I know your deeds; you have a reputation for being alive, yet you are dead. 2 Wake up and strengthen what remains, which was about to die; for I have found your deeds incomplete in the sight of My God. 3 Remember, then, what you have received and heard. Keep it and repent. If you do not wake up, I will come like a thief, and you will not know the hour when I will come upon you....

wow @ 56:43 that sounds like the Mandela effect, nice of you to read this for us.

God also warns that they would do this, the rulers of the darkness of this world turn everything upside down and pervert truth and reality. God allows them to go for a time but they know their time is short so expect things to increase the proverbial frogs thinking they be in a Jacuzzi are already in pretty hot water.

Daniel's Visions Interpreted

...24'As for the ten horns, out of this kingdom ten kings will arise; and another will arise after them, and he will be different from the previous ones and will subdue three kings. 25 He will speak out against the Most High and wear down the saints of the Highest One, and he will intend to make alterations in times and in law; and they will be given into his hand for a time, times, and half a time. 26 But the court will sit for judgment, and his dominion will be taken away, annihilated and destroyed forever....

Daniel 12 reveals some things that take place once Michael who currently restrains the enemy rises back to heaven, IMHO we are living in the days of the great harvest.

I believe it takes a psychopathic personality to become ultra wealthy and to keep most of the wealth to yourself. The little bit of wealth these aberrations of humanity give away are to further personal agendas, not for the betterment of anyone or anything. They are literally disgusting examples of Homo Sapiens. Because many of us feel that way they actively try to protect themselves from interacting with normal people. By furthering their various dangerous agendas, and by isolating themselves from normal people, they become more isolated and insane. It's our fault for letting them get this far. And still no one pays attention. Why? Because to become deeply involved in this historic problem means you have to become somewhat like them, concerned with what others are doing. Most of us just want to be left alone to enjoy our lives. Psychopaths are an aberration that should be identified as soon as the tendency is uncovered. They are pretty obvious even as young children. The elite version of this aberration likes to interbreed and purposefully perpetuate the aberrant genetics, they call it royal bloodlines. With the advances made in gene modification, it may be possible to beat them at their own game soon. However, it will take a collection of like minded people committed to that goal to make it happen. Aerosol deliveries of gene modifiers that only affect them might be a way to deal with it. I'll leave the plan and method to the smart people.

That's in your history books, and happens to animals also. It's a normal divergence in mammals. I don't understand why everybody makes such a big deal out of it. Concentrate on yourself and leave other people alone to do the same.

1 [REPLY](#)

Donna G. 3 months ago

Jack, Yes, they are trying to make men gay. This is all part of the agenda to feminize men, so men won't fight back. They have done it by putting xenoestrogens in our environment through the food supply and chemicals (fertilizers and herbicides) in our environment. These are the people born gay. There are some people who choose to be different too because we are being brainwashed to believe it is cool to be different or not normal. Being different is the new normal. Look at Miley Cyrus. I really doubt she is anything but heterosexual. One day she's straight, the next gay, the next bisexual, then finally pansexual. Ridiculous.

Terri, History books are full of lies!!! Being gay is not a normal divergence in mammals. If that is in history books, that is just more brainwashing by the globalists. It is a big deal that this has been done to us intentionally and we should be angry! No one is attacking anyone else for their choices. Most people can't control their sexual orientation, but they should be aware of the truth!
