

FORD CREDIT

Choose the payment option that's best for you.

With **Ford Credit**, you can choose from a wide range of convenient, flexible payment methods, including:

Mail

Our standard way of billing you is through the enclosed invoice, which also may include new-vehicle information, exclusive offers and helpful contract information. Please mail the enclosed statement with your check, made payable to Ford Credit, 5-7 days before your payment is due.

Online

With our online Account Manager you can make payments and view your account information anytime, anywhere. Simply visit **fordcredit.com** to enroll and:

- Make an online payment
- Set up automatic payments
- View statements, account history and more

Mobile

Account Manager also allows you to make payments from your mobile device,* making it easier than ever to manage your account on the go.

- Enroll in Account Manager at **fordcredit.com** from your desktop computer
- Visit **fordcredit.com/mobileam** from your mobile device

Phone

Make a secure payment directly from your checking or savings account 24 hours a day, 7 days a week by calling 800-334-1161.* A nominal fee for transactions may apply. See the back of this page for complete details.

Western Union® & MoneyGram®

Wire a payment for same-day credit by contacting Western Union at 800-325-6000 or **WesternUnion.com**, or MoneyGram at 800-926-9400 or **MoneyGram.com**.

For more information on all your payment options, visit **fordcredit.com**.

*Message and data rates may apply.
